

COMPLAINT REDRESSAL MECHANISM:

1. Introduction

In the present scenario of competitive securities market, excellence in customer service is the most important tool for sustained business growth. Customer / Client complaints are part of the business life of any corporate entity. As a service organization, customer service and customer satisfaction are our prime focus.

We believe that providing prompt and efficient service is essential not only to attract new customers, but also to retain existing ones. Our Company has come up with a lot of initiatives that are oriented to providing a better customer service and a better complaints redressal mechanism with a view to “Out serve” customers.

The company’s policy, on grievance redressal has been formulated taking into account the following:

- Customers are treated fairly at all times
- Complaints raised by customers are dealt with courtesy and on time.
- Customers are fully informed of avenues to escalate their complaints / grievances within the organization and their rights to alternative remedy, if they are not fully satisfied with.
- All complaints are dealt with efficiently and fairly
- The company’s employees work in good faith and without prejudice to the interests of the customer.
